# WELCOME

---

**NUNTIO Audio-Video Solutions** is one of the AV market leaders in Austria specializing in business events, conferences and fairs. As a full-service provider NUNTIO offers a wide range of sound, light, video, conference, seminar and interpretation equipment and the capacity to fully cover these segments in-house.

“Everything you need”: for you, this means maximum flexibility and extremely short response times in case of ad-hoc changes.

5,500 m<sup>2</sup> of premises in the south of Vienna serve as a hub from which we serve more than 40 partner locations, providing equipment and staff for over 3,000 events per year.

You can reach NUNTIO all year round to be delivered quality that sets new standards.  
We are looking forward to welcoming you as one of our many satisfied customers.

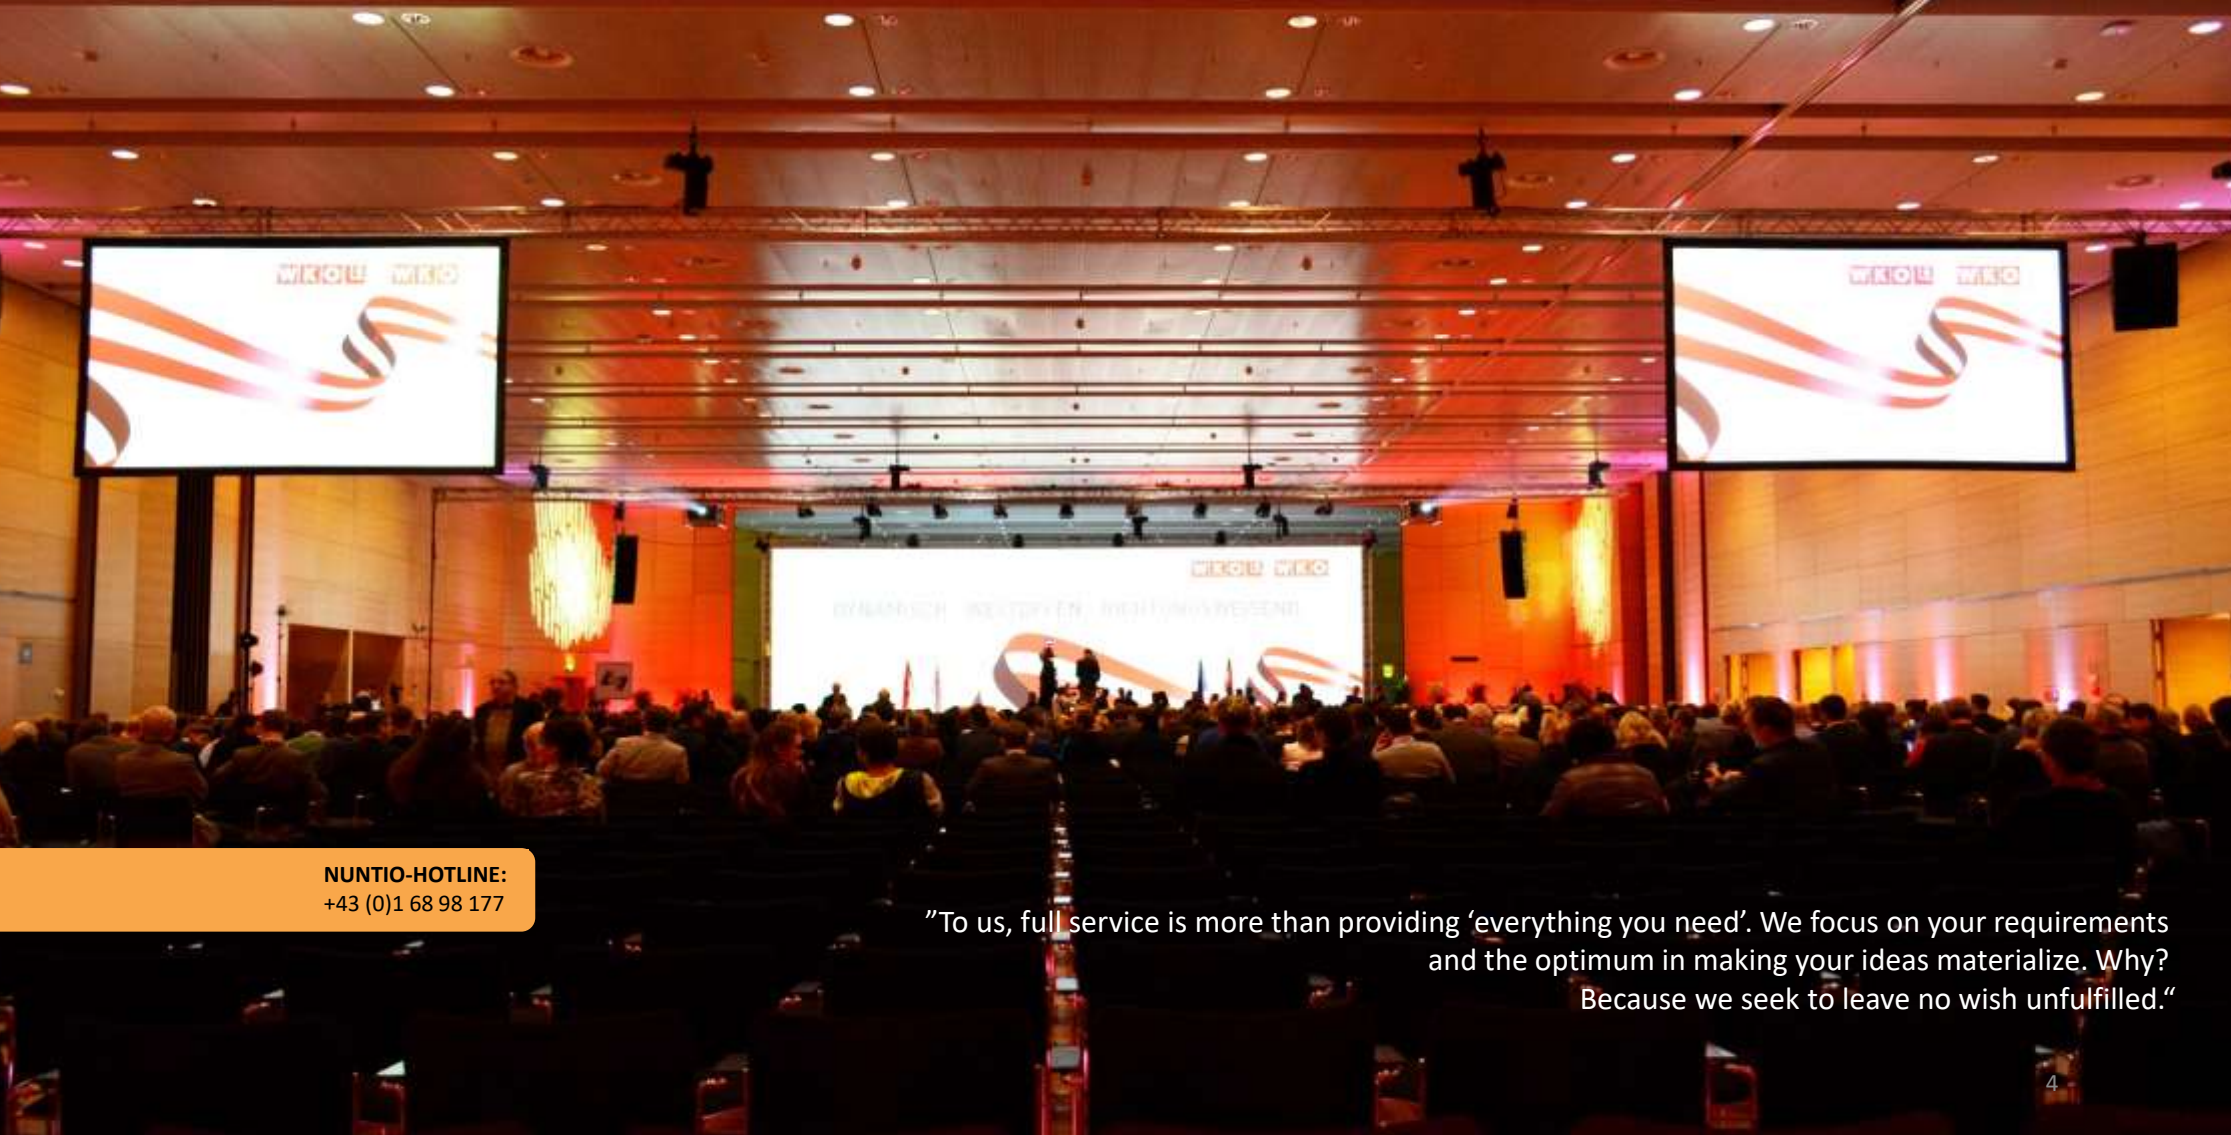

There is not much more to say when you hear that our customers meet us for the first time in Vienna and then they take us with them wherever they are, or wherever they go to, world-wide. We have been working successfully for our customers in Amsterdam, Athens, Berlin, Bern, Bratislava, Brussels, Budapest, Bucharest, Cambridge, Cape Town, Copenhagen, Dresden, Dublin, Fort Worth, Frankfurt, Helsinki, Krakow, Kyoto, Lisbon, London, Munich, Paris, Prague, Rome, Rotterdam, Sacramento and Washington, DC, to name but a few.

**We are looking forward to welcoming you as one of our many satisfied customers.**

**NUNTIO-HOTLINE:**  
**+43 (0)1 68 98 177**

NUNTIO-HOTLINE:  
+43 (0)1 68 98 177

"To us, full service is more than providing 'everything you need'. We focus on your requirements and the optimum in making your ideas materialize. Why? Because we seek to leave no wish unfulfilled."

# YOUR BENEFIT

NUNTIO provides comprehensive services

## AV Hire & Event Service

from long-standing experience."

# AV SALES & INSTALLATIONS

## Benefit from a broad range of services

NUNTIO Audio-Video Solutions provides comprehensive services in permanent installations and the sale of state-of-the-art media technology. Many years of know-how, tailor-made solutions and reliability spell top quality.

### Consulting

> With technical equipment, manufacturers and technologies becoming ever more diverse, comprehensive and independent consulting gets more and more important.

### Planning

> Perfect planning from the very beginning will save you the trouble of expensive changes after completion. Our support services follow through with your entire project from start to finish and we put in all our expertise.

### Installation

> Our systems are installed by professionals: qualified and experienced technicians. Correct and sound implementation as well as reliable delivery are second nature to us.

### Programming

> We program your conference control system according to your requirements and needs. Perfect output and an easy to handle system – satisfaction guaranteed.

### Services

> When the system has been handed over, this does not mean our support will end. NUNTIO Audio-Video Solutions does all the maintenance work and exchanges defective devices. We are available any time thanks to our NUNTIO hotline.

## PARTNERS

---

NUNTIO provides you with premium quality and professional all-in-one solutions. We exclusively use high-quality products made by the following producers.

### NUNTIO is a premium quality provider

Our services meet the highest quality standards and our equipment is state-of-the-art, manufactured by well-known producers. This is what makes us one of the leading providers of quality AV, conference and media systems in Austria.

### NUNTIO is a full-service provider

As a full-service provider for AV, conference and media systems NUNTIO offers comprehensive services in all related fields: hire or sales – this is how you benefit from comprehensive know-how.

### NUNTIO relies on quality staff

In order to meet our high quality standards, we cooperate with first-class and experienced professionals exclusively. Our staff's neat appearance and good manners are very important to us.

### NUNTIO is flexible and fast

Our broad range of equipment and large vehicle fleet allow us to respond instantly to ad-hoc changes.

### NUNTIO operates world-wide

There is not much more to say when you hear that our customers meet us for the first time in Vienna and then they take us with them wherever they are, or wherever they go to, world-wide.

### Our goal: completely satisfied customers!

Our top priority is to work to your complete satisfaction and content. We believe in being fair partners to our customers, subcontractors and staff alike – to us, fairness and technical expertise form the basis of many successful projects and long-term cooperation.
